

WHAT IS CANSKATE?

The **CanSkate** program is Canada's only national Learn-to-Skate program for skaters ages 3 and up. It was developed by Skate Canada experts to teach the fundamentals of skating in a progressive and sequential manner. It offers a series of balance, control and agility skills that will prepare skaters for any ice skating sport: **hockey, ringette, figure skating and recreational skating.**
CanSkaters strive to achieve Skate Canada Stages: Stage 1, Stage 2, Stage 3, Stage 4, Stage 5, Stage 6
Please note: The letters A, B, C, D, E, F, G reflect the lesson the CanSkater is on, **not** the level they are skating at.

WHAT IS CANSKATE PLUS?

The **CanSkate Plus** program is geared towards skaters who have completed **Stage 5 or higher** in the CanSkate program and are interested in continuing onto Figure Skating. Classes are 60 minutes in length, skaters will receive; 15 minutes of stroking, two 15 minute group lessons per session and 15 minutes of free skate to practise what they have learned. (**Please note: Saturday class is 55 minutes, the stroking portion will be 10 minutes**)

★ Upon completion of every session each skater will receive a Progress Report and Ribbon.

★ Skate Canada Badges will be distributed each time the skater passes a stage.
